How to Accrue Points and Achieve Status

Community Point Structure

Badge Status

Members can earn a badge if they are identified by their region as a top performer based on the number of points they've accrued. Gold and Silver badges are currently available and are issued quarterly. If you are awarded a badge, it will appear on your profile picture on My Status in your dashboard. If you have any questions, please reach out to your local center lead.

Leaderboard

On the **Community Pod Dashboard** you can scroll down to view the **Leaderboard**, shown in the image below. To compete for the top positions on the leaderboard, you must accrue points. You will be recognized regionally as well as globally. Contact your regional program leader to learn more about your local incentives program.

Accruing Points/Star Levels

Stars indicate participation in the community; to unlock another star you must reach a certain number of points. Each star level will unlock a new incentive. You will receive one star for each 1000 points you accrue in the community. You can earn up to 5 stars (5000 Points).

Star Levels - Point Structure

⭐ ——— 1000
⭐⭐ ——— 2000
⭐⭐⭐ ——— 3000
⭐⭐⭐⭐ ——— 4000
⭐⭐⭐⭐⭐ ——— 5000

Note: Star Levels are independent of POD Status.
